Back to School Blessing

Today we will have a time of blessing for all of those who are going back to school. Whether you are going to your first day of pre-school, your final year of schooling, or to work in an educational institution, we invite you to participate in this time of blessing.

Special donations for Amos Herr Dream Park

Today we're collecting money donations for the Amos Herr Dream Park build. Checks may be made out to Landisville Mennonite Church with Dream Park written in the memo line. Thanks for helping to make this community project a success!

Nathan Grieser, director of the Shalom Project, will be bringing the message on Sunday, September 4, and he will also be with us during the Sunday school hour. The Shalom Project is a year-long experience for college graduates in Lancaster City, during which volunteers participate in an internship and focus on personal growth, professional development, and spiritual formation with service to the community. The Shalom Project desires to be a vehicle through which God's shalom (wholeness and peace) can be experienced and shared by young-adult participants, partnering congregations, internship placements, and the Lancaster community as a whole. We at Landisville Mennonite Church have agreed to become a partnering congregation for the upcoming year. Come hear from Nathan and find out more about the Shalom Project and our partnership.

Compassion Project 2016 - Let's Build a Playground!

Community volunteers are going to build a new playground at Amos Herr Park in Landisville, and our church has committed to working with our neighbors to make this happen. The playground will be built in two construction phases. Phase 1 will be from Sept 9 - 11, and Phase 2 will take place from Sept 27 - Oct 2. All kinds of jobs are available, for those who have building skills and those who do not, those who have energy to spare and those who prefer less physical jobs. Landisville Mennonite Church would like to provide volunteers for the build, particularly Phase 2, and we will also be providing a meal for the volunteers. Click here (www.signupgenius.com/tabs/2367FD905A7C2E4C42-amosdream) if you have interest in signing up to volunteer to build or if you have tools you would not mind lending to the project. Questions about the project and your role in it? Refer to the project website (<http://www.easthempfield.org/2210/Dreampark>) or contact Jen Bowman Sauder.
