First Year Review in a new pastor-congregation relationship (Recommended by MC USA document, 2017). Pastor Development Team (PDT) Chair, Rodney Nafziger met with Lead Pastor Ron and ACC Conference Minister on March 27 to agree on a process. For more details of process, see PDT Report to Congregational Leadership Board March 27, 2019 minutes. Adjustments and understandings early, can help to strengthen the long term pastor-congregation relationship. Longevity of the relationship is the assumption of the review. About 16 people in the congregation are being asked/invited by PDT to complete a "Congregational and Pastoral Survey" used previously in our congregation. They have been chosen on the basis of their frequent interaction with Ron in leadership functions and/or cross section representation of the congregation. Other individuals in the congregation who want to give feedback related to Ron and the congregation, may obtain a survey available (by May 12), in the information alcove. Please return survey to the reply box in the information alcove by Sunday May 26. Your full name is required for inclusion in tabulation. Only the Pastor Development Team will see individual responses. Questions can be directed to Rodney Nafziger, PDT Chairperson.
