Sermon Response discussion, Sunday at 12:00 noon

All are invited to the Sermon Response class's weekly Zoom gatherings for sharing and conversation around the sermon. The gathering is at 12:00 noon each Sunday. Regular members of the class are automatically included in the weekly invitation. If you are not a regular member of the class but would like to join in the discussion, please let Dave Yoder know and he'll send you an invite.

Sewing group

Our monthly sewing group will not meet July 1. Our next group meeting will be August 5, from 9 until 3. There will be extra comforters to knit, in addition to other activities. If there is interest, school kits or hygiene kits could be assembled the same day. Supplies can be ordered for kits, so please contact me or any of the committee if you and your family are willing to work on the kit project on August 5. Anyone is invited, especially students, to August 5 meeting!
