### Landisville Youth and Children to Lead Worship: July 25

On Sunday, July 25, youth and children from Landisville will team up to lead the 10:00 am worship service. Through a skit, puppet show and interviews, all will reflect on John 6:1-14. Come prepared to be engaged and to receive a blessing!

**One of the Big Happenings at Landisville** is discussion and prayer concerning U.S. racism. There is a table in the foyer with books that people have found helpful and are willing to loan out. Also on the table are hard copies of a bibliography of helpful resources of various media. Please join other Landisville members and avail yourselves of these thought-inspiring and prayer-provoking resources.

### TBB Field Trip

Hope UM in Ephrata, Wednesday, July 21, 7:30 pm  
We'll have a tour and presentation by Cammie Freed who is a chemist with J&J and is thrilled with the benefits to the community (water retention) this meadow has brought and the beauty and increase in wildlife they've seen already in just 2 years. Please let Marilou know if you will attend ([mariloujeanne@yahoo.com](mailto:mariloujeanne@yahoo.com) or 608-288-8133). We need an approximate number. And include whether you want to carpool from the Landisville parking lot or not.

### Sermon Response discussion, Sunday at 12:00 noon

All are invited to the Sermon Response class's weekly Zoom gatherings for sharing and conversation around the sermon. The gathering is at 12:00 noon each Sunday. Regular members of the class are automatically included in the weekly invitation. If you are not a regular member of the class but would like to join in the discussion, please let Dave Yoder know and he'll send you an invite.
