In Case You Were Wondering

The lyrics and music for today's children's spot were written by Pat Myers. We are blessed by Pat's willingness to share her gifts with us and our children.

Antiracism resources

Check out the book table in the lobby for *How to be an Antiracist* by Ibram X. Kendi. This important book tells the author's personal story of growing toward better understanding of societal and individual racism and explains that "the only way to undo racism is to consistently identify and describe it-and then dismantle it". Kendi's definitions and insights into society helped me to understand that I cannot be neutral. My actions are either racist or antiracist and contribute to the formation of racist or antiracist policies.
