Congregational announcements

The Hempfield Clothing Bank follows the Hempfield School District schedule. The last day for 2022 is Wednesday, May 25. We will be closed for summer and reopen Wednesday, August 24th. Groups or individuals can contact Fannie Miller through Christy in the church office, for special needs. THANKS AGAIN to our church family for your support of this ministry. Donations can still be left outside the Clothing Bank door.

Pastors Ron and Gina will be congregational delegates to the denominational assembly gathering May 27-30. Contact them if you are interested in conversation about the 4 resolutions on the agenda. They will be meeting with all of the adult SS classes too during this month. Find information about the resolutions on mennoniteusa.org or atlanticcoastconference.net.

Trees, Bees, and Butterflies (TBB)

As advertised earlier, a group of people who committed to tending the meadow and forest met F13 with Ryan Davis, our consultant from the Alliance for the Chesapeake Bay. Ryan was really pleased with the way everything looks. He said our plantings look just right for the first year at this time in the season. What we see right now in the strip of meadow is annual rye. That is not one of the native meadow plants we are expecting and that you will see in the notebook that Virginia compiled and showed Sunday during announcements. The rye was mixed in with the meadow seed to provide an immediate Spring ground cover and protect the meadow plants. It will be mowed soon. Those native plants are not up yet. They need 80 degree weather. Bad news is that the clover which we planted among the trees did not germinate. Ryan suspects it was too late in the season for the clover. Richard Miller noted, too, that although it rained the day we planted, it didn't rain for weeks after. So Jay Musser is working on a plan to reseed to prevent erosion and allow us to walk in among the trees. Our team of Tenders will be active throughout this first season. But it was felt that many others in the congregation would like to help out occasionally. TBB will set some All-Call work days during the summer and publish that schedule soon so you can get those dates on your calendars.
